How to Login

Access BİLGİ Learn at İstanbul Bilgi University at <https://learn.bilgi.edu.tr> NOTE: If you are already logged in to <https://sis.bilgi.edu.tr> and are in an active session, simply click on the BİLGİ Learn button on <https://sis.bilgi.edu.tr> and you will automatically login to BİLGİ Learn and be taken to your Moodle page.

You need to have an active @bilgi.edu.tr email account and a password in order to access BİLGİ Learn

If you cannot log in to BİLGİ Learn try the following:

All users must have an active İstanbul Bilgi University email address and SIS password in order to access BİLGİ Learn. If you do not know your email address, you can find it by getting in touch with The Student Affairs Office.

Reset your password (if you don't know it): If you forget your SIS password, request a temporary password via SMS;

For Temporary Password via SMS

Type "bilgipass" and send the message to 2322

* This is a paid service and the fees may vary by provider.

* Make sure your phone number has access to special services

After obtaining a temporary password you can go ahead and change it by following the steps on <https://sis.bilgi.edu.tr/sisauth/home/accountopera...> page.

Make sure you are typing in your email address and password correctly

Check browser cookies and Javascript: If you have an active BİLGİ email and SIS Password, but still cannot access BİLGİ Learn, make sure you have cookies and Javascript enabled in your browser. You can also try logging in using a different browser.

If the steps above do not resolve your BİLGİ Learn login issues, contact the UZEM Help Desk at lms.support@bilgi.edu.tr address.
